PRESIDENT'S CORNER: "Hope everyone is enjoying their HOT summer. Not much going on during these hot summer days at the club outside of our usual trap, pistol/rifle, and skeet activities. We are looking forward to our Trap, Skeet, and Club Championship Shoots this fall. They will be in September and October. More details to follow in both the Trap and Skeet corners. Check the website for updates on upcoming events. Our next General Meeting will be Thursday September 16th at 7:00 p.m. So mark your calendars and come on down to help kick off our fall activities by volunteering or participating in our upcoming events. Stay COOL!"

THE PROPOSED CHANGE:

ARTICLE III:

Section 3-By nomination of the Board of Directors, and by a majority vote of active members present at any meeting, any suitable person may be elected to Honorary Membership in the club. No fees or dues shall be required of such Honorary Members. Term to be determined by Board of Directors. **Individuals awarded any type of Honorary Membership will not have voting privileges."**

Kitchen Corner: Please contact Joe LeBlanc if you are interested in helping in the kitchen. He has done a great job with volunteer help.

Trap Corner: Dick Friend is grateful for the help he gets at the Trap range. If you can give a hand at opening the fields just give him a call. The registered

MATA shoots have been a success this season. There are two more to go: Sunday August 8th and Sunday September 12th!

Dick is looking for volunteers to help at these shoots. No experience is required as there are plenty of areas where a warm body is required to help keep the event running smoothly. All members are welcome to contact Dick or any of the Board of Directors if they wish to volunteer or have general questions in regards to events scheduled this season. The club shoots also need scorers, machine loaders, so come on down.

Skeet Corner: The work has been completed on the skeet machines. The fields are looking good. It's time to get ready for bird season.

Pistol/Rifle Corner George and his crew have done loads of work on the pistol/rifle ranges. They continue to practice safety at all times. Congratulations to George Grant and Ed Bajakian for forging ahead attending the GOAL-NRA Safety Range Officer class. If you are interested for next years class please contact George. Pin Matches are scheduled throughout the season. Check the website for all the upcoming events. Remember that a member can bring in only one guest at a time to the range. Please read all the signs posted on and at the range.

Membership Corner: The orientations are the third Sunday of the month at 10:00 a.m. It's worth coming and meeting with a BOD to know what the club is all about. We thank the new members for their cooperation in completing the orientation process. Bob MacMaster and Maureen Siemen have been keeping track of the new members and look forward to meeting with them. The next orientation will be held August 15th at the main clubhouse.

Education Corner: The club hosted it's first Basic Pistol course. It was a successful event. Thank-you to 2nd Amendment Citizens Training who held the eight hour class.
