February/March 2010

PRESIDENT'S CORNER: As the incoming President, I would like to say a few words about where the club is today and my goals for this year. During my tenure as your president I intend to bring back a spirit of "volunteerism" and re-establish NLRG as a "family friendly" club. Our club officers share this desire and together we will work to provide an atmosphere where you, the members will enjoy the shooting sports and other events. On the social side, we plan to do more in the events of Cribbage League, meat raffles, and other fund raisers. A year is not long to plan and execute our goals. This requires the efforts of our volunteers to be successful. So, if you would like to get more involved and participate in events please contact a club officer or committee chair. We as a club greatly appreciate however much time or expertise you may offer. Let's have a great 2010!

As of January 2010 the club has a new slate of officers elected at the December 2009 General meeting. You can visit the website for a complete list of your BOD and their term status!

SPRING CLEAN-UP is scheduled April 17th-Please come in your yard clean-up clothes, bring rakes, shovels, and the willpower to get rid of the look of winter!!! We'll have a rain date of April 24th. We start at 8:00 a.m. ALL RANGES WILL BE CLOSED. The kitchen will be open for all helpers. Please mark this date on your calendar and plan to attend. The work is made much easier by having a large number of members helping. If you can only give part of the day, that is fine too. Every bit of help will be most appreciated.

Amateur Trap Association (ATA) Events: The ATA schedule for 2010 has been set and the Shoot dates for NLRG are as follows: May 16th, June 27th, July 18th, August 8th, and October 3rd. Maureen Siemen, Gerry Curley, or Mike Estep for this event.
