League Rules:

This is not a registered event, but all ATA rules will apply.

Each week will consist of two rounds of trap doubles (100 targets). We will keep the best four weekly scores to determine your league score. Shooters must shoot at least four weekly events to be eligible for prize money. No additional shooters will be added after the third week.

Prize money will be awarded weekly and on the final day of league shooting. The breakout of those prizes will be determined by the number of shooters and those completing the minimum shooting requirements.

\$5.00 of each weekly shooting fee and the some of the \$20.00 initial entry fee will be returned to the shooters as prize money. A small portion of the initial entry fee will be used to provide free food to all participants of the league on the last day of shooting.

The shoot committee for this league is Al Hinz and Jim Armitage. Shoot management reserves the right to make changes to the league program if it becomes necessary.

**OUR CLUB KITCHEN WILL BE OPEN FOR
BREAKFASTON LEAGUE SHOOTING DAYS.**
