## Newsletter

August 2007

### **PRESIDENT'S CORNER:**

I hope everyone is having a great summer. NLRG is looking for people to help with club administration by running for the board of directors. We have a few positions open. Everybody knows a great kitchen is an asset to a club. We are searching for someone to take over the kitchen committee. If you are interested in any of the above please contact me.

Al Hinz  
NLRG President

**GUNS AND GOLF** - Mark your calendars with Friday, September 21<sup>st</sup>. That is the date for this year's Guns and Golf event. We will play a nine hole scramble at Monoosnock CC at 7:30 A.M. and then come to our club to shoot two rounds of trap protection before we get down to the serious part of the program. That, of course is the great steak barbecue that follows golf and shooting. The cost per person to participate is \$80.00 and that includes the barbecue. You need to sign up and prepay no later than September 9th. You can do that at the club or you can mail your entries in. The event flyer and entry form is on our website and is in the clubhouse or you can call Bob MacMaster at (978) 597-8592 and he will mail one to you. We run the event in a way that makes it easy for everyone to participate whether you are a shooter or golfer or not so don't let not knowing one or the other hold you back from having a great time with us...

**MEMBERSHIP MEETING** - The summer is flying by and before you know it it will be time for our next General Membership Meeting on Thursday, September 20<sup>th</sup>, at 7:00 P.M.. Supper will be available before the meeting, starting at 6:00 P.M. Attending our membership meetings is the best way to keep up on what is going on at the club and to voice your opinions about what you would like to see us doing. We hope to see you there...

**CLUB CHAMPIONSHIPS** - There are three separate club championships coming up within the next 3 months. Details on each will be posted at the club at least two weeks before the event is scheduled. The championships are open to current club members only. We hope to see you at the **Trap Championships on August 19th**, the **Skeet Championships on September 23rd**, and the **All Around Shotgun Championships on October 21st**...

**UPCOMING EVENTS** - Rather than include all of the year's scheduled events in each newsletter we will highlight what is coming up in the next three months each time that the newsletter is published. We will also make an honest effort to get the newsletter to you well in advance of scheduled events to give you ample time to plan for it. Beginning with this newsletter you can expect to see one every two months throughout the year. If you aren't getting your newsletters or if your address changes please let us know. In this edition we will give you the events planned for the remainder of the year to catch you up on things. They are listed on the reverse side...

**HELP WANTED** - Help is needed to work the ranges during our registered trap shoots. We need several people who are willing to score or to load houses during the shoots. You do not need to have experience. We will train anyone who is willing to work. The job pays \$10.00 per hour and you get free breakfast and lunch on the day of the shoot. We have two shoots left for this year and normally we hold 5 or 6 shoots a year. You can work as a scorer if you are at least 14 yrs old and house loaders must be at least 16 years of age. Adults are also more than welcome to apply. If you are interested please call Bob at (978) 597-8592. You may get a voice recording but we will get back to you as quickly as possible...

**CLUB WEBSITE** - The address for our club website is shown in the heading of this newsletter. If you have access to the internet it is a great way to keep current on what the club is doing. Rick Ricciuti has managed our site since it was created and he does a great job of keeping it current. Normally whenever we send something to him it is posted that day. Thanks very much, Rick...

**REGISTERED SKEET SHOOT** - There is a strong possibility that we will hold a registered skeet shoot in 2008. That will be the first such shoot held at our club since the early 90s. Maureen Siemen and a few skeet shooting friends are working hard to make that happen. We will let you know when things are sorted out and give you the date for the shoot as soon as it becomes known.

**SUGGESTION BOX** - You may have a suggestion or a complaint or just a general comment that you would like to bring to our attention but are not able to make a meeting. We have installed a suggestion box in the clubhouse just for that purpose. The contents of the box will be read and discussed at every monthly Board of Directors Meeting. If you include your name and phone number on the suggestion and ask for a reply you will receive it as quickly as possible...
